Miss Laura Gilpin
317 Cheyenne Road
Colorado Springs, Colorado

Dear Miss Gilpin:

Your package of pictures of the skiing and the one of the dance received. You did not include a letter, so I am writing to ask what prices the pictures would be. I am going to put them out for the boys to see, and to order what they like.

Please give prices on the gloss prints as sent, as well as on dull finish, both mounted and unmounted, like group pictures you have taken in the spring at commencement time.

Looking forward to hearing from you as soon as convenient, I am

Very sincerely yours,

Perry Merrill
