Dear Miss Gilpin:

Acknowledging your letter of September 25th, we are having the 300 sheets of Rives Heavy Weight Cream cut to size 12 x 14", with the deckle on the right hand side and the bottom of each sheet. These cut sheets are being delivered to Mr. Oscar Ogg, 100 West 55th Street, New York City.

However, in cutting the stock there is a waste in size approximately 10 $\frac{3}{4}$  x 18", which we are holding here. Will you give us your instructions as to where you want this surplus stock sent.

Very truly yours,

THE STEVENS-NELSON PAPER CORPORATION
