Dear Miss Gilpin:-

I have been away which explains my delay in answering your letter of February 24th. I received the proofs together with the finished print. You may go ahead and finish up the other three which will make four prints on the Belgian paper.

Sincerely yours,

T-C

A large, stylized handwritten signature in dark ink, likely belonging to Winthrop Taylor, is written over the "Sincerely yours," text. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
