Dear Miss Gilpin:

Mr. Frese has asked me to write you a brief note to inform you that Life Magazine has been making inquiries regarding the use of your pictures from the NEW MEXICO STATE GUIDE.

Mr. Newsom's office in Washington has informed Life that permission can be gotten only directly from you and we have given Life's editor your address so that they may correspond with you directly.

We wish to call your attention to the fact that it is customary for them to pay a regular fee of at least \$10.00 for each picture.

Very truly yours,

HASTINGS HOUSE
