317 Cheyenne Road

Colorado Springs, Colorado

Dear Miss Gilpin:

I should have answered more promptly your letter of some weeks ago if I could have made up my mind what I wanted to do about the additional pictures of which you sent me proofs. The job of gathering in the pages from the various copies of my album that I have distributed is more than I have wanted to tackle, as I have been crowded with all the work that I can stand up under.

Regarding the two copies of my album that you have been good enough to take care of for me, will you kindly send one copy to me here and the other copy to Tom Cowles' widow, who has remarried? Her name now is Mrs. Chester Shepard, and her address is: 411 Lake Road, Menasha, Wisconsin.

Sincerely yours,

W. A. Cowles.
