Dear Miss Gilpin:

When Mrs. Hayward came back from Colorado Springs in 1938 she told me ab ut your marvelous turkey farm, and I know she sent one east to her mother with great success. I am wndering if the farm is still in existence and if I could order a turkey to be sent to Texas for Christmas?

If this is possible I would like to order a nice little hen turkey from

12 to 14 lbs. to be sent to Mrs. Henry L. Crittenden--

Texas

I am enclosing a card to go with the turkey, and the bill can be sent to me down here at Mrs. Hayward's.

Here's hoping that you are still in the turkey business! Mrs. Hayward asks to be remembered to you and sends best wishes for a very merry Christmas.

Yours very truly

Marian Forbes
