Mr. Armstrong,
1500 South Steele St.,
Denver, Colorado.

Dear Sir:-

I saw your advertisement in the Denver paper and I am wondering if you have a good registered Standard Schnauzer male.

I have two females, one very fine imported dog who is getting old but might try for one more litter. Her daughter, not so good, but still a good dog will soon be in season and I should like to find a good male in this region. Last time I sent her to Chicago and had a very fine litter from one of Mrs. Cooper's champions males. If you do not have a male perhaps you can tell me who in Denver has the best one. I know Mr. Fellows and he might have one now.

Very truly yours,
