Mr. Jean Eschmann,
East Cleveland, Ohio.

Dear Mr. Eschmann:-

The material for Volume Two of Mr. Whilliam H. Colver's Albums was shipped to you yesterday. The twelve sets were packed in the wooden box. In a separate package I have sent the additional copy for myself. For Volume Two for my duplicate copy need only be bound very in expensively. A cloth cover with no lettering. Largely a container to keep these pages so that should any occasion arise in the future where a page were needed or reference needed, I can have it on hand.

I trust that everything reaches you in good order and that I may hear from you shortly as to when I may expect the completed job returned to me.

Very truly yours,
