Mr. Jean Eschmann,

East Cleveland, Ohio.

Dear Mr. Eschmann:-

Thank you very much for your letter of the 18th. I hasten to send an immediate reply to have you hold the piece of French Levant leather for Mrs. Stewart's Volume III to match her other two volumes. In the mean time I am sending the other samples on to her for her selection. Monday I shall send you photographs and specifications of the coats of arms. Someone here recommended Mr. Esge just a few days ago.

Very truly yours,
