Mr. Spud Johnson,
Taos, New Mexico.

Dear Mr. Johnson:-

Your order for the Taos cards is in the mail with this letter. I have had a very busy two weeks or they would have been sent earlier.

The only arrangement by which I was able to obtain permission to do the Ranchos Church cards was to give Father Garcia the exclusive sale for your area. If you can make any arrangement with him I shall be glad to furnish the cards either through him or direct if he is willing. This arrangement seemed fair enough and I hope that he will find that he will still sell the cards at the Church even if they are on sale in Taos.

I am hoping to spend a little time working up new material in your area this spring and I shall appreciate any suggestions you have for "requested" subject matter, or what you feel would add to the sale of this undertaking. I hope that next year I can add a number of new sets.

Sincerely yours,
