

June 19, 1941.

Mrs. R.C.Mallett,
Hallar's Camp.
Point Lookout.
Colorado.

Dear Mrs. Mallett:-

You may recall that I stopped to see you last fall and showed you the Pictorial post cards I have for sale. I am enclosing a sample set of No. 3, Mesa Verde. Also Sets No. 1 and 4 should be very saleable at your camp as they are both Navaho sets. A complete list of what I now have are,

- No. 1. Navaho
- No. 2. Acoma
- No. 3. Mesa Verde
- No. 4. Navaho
- No. 5. Taos Pueblo
- No. 6. San Ildefonso
- No. 7. Chimayo
- No. 8. Ranchos of Taos Church.

At present a single card of Canyon de Chelly.

The sets of 6 cards retail at 25¢, wholesale 12¹/₂¢

I can furnish display cards in two sizes.
One which has two cards on or one which has
six.

I hope that you will put these in. My
book which sold well, (is all sold out) at the
Museum at the Park contained some of these pictures.
As they are not handling these cards at the Park,
I should be pleased to see you do well with them.
They are selling well here, and by Fred Harvey
through New Mexico.

Hoping to hear from you, I am

Very truly yours,
