Dear Dr. Hera:-

Under separate cover I am sending you two blankets which have been brought in to the Taylor Museum. Mitch asked me to show them to Mrs. Stewart and she in turn has asked me to send them to you and to tell you that if they or one of them are anything you wish to add to the collection she will be glad to give it to you. One is certainly far better than the other and seems to be quite a choice little piece. If you do not want them, just return them to me and I will see that they are returned to the owner. A price of \$75. has been mentioned in relation to the better blanket and should you wish it and think it worth more or less will you advise me?

Hoping that all goes well with you,
and my regards to all

Very sincerely
