New York City.

Dear Mr. Morgan:-

I am much interested in the appearance of the COMPLETE PHOTOGRAPHER which I take it is the encyclopedia you have been working on for so long and which I presume will eventually find its way to a permanent form. Not being quite sure I sent you a quarter in one of your cards to find out. I see that it will run about \$1.00 a month. I am enclosing my check for \$2.00 for which please send me a binder, also a slip case for my three volumes of the Photo-Lab Index, and the balance on future issues of the Complete Photographer.

Do you wish to have some Kodachromes submitted to you for future use? I have about a half dozen 3x4s I should like you to see.

You may be interested to know that Hastings House is publishing my PUEBLO book, It is supposed to be out Nov. 14th. I hope the photogravure will be as good as many of theirs that I have seen.

With best wishes for the success of your new venture, I am
