

February 10, 1941.

Mr. Edward S. Peck,
Dept of Fine Arts,
College of Wooster,
Wooster, Ohio.

Dear Mr. Peck:-

Ever since I sent you the slides I have been meaning to write to see if you want the the four remaining slides inspite of the fact that I was unable to get them to you on time.

I was extremely sorry that I failed you in part on that order, but my big job had me so on the jump to get it finished even a week late, that I was only able to get the ones done that I had a record of timing etc.

If you still want the others will you let me know and I will make them for you at once.

Hoping that the othees reached you in good time and were of use to you, I am

Sincerely yours,

February 10, 1941

Mr. Frank Peck
