My dear Ruth:-

It seems ages since I last had a glimpse of you and I was hoping to see you here last week. I only heard a few days ago that you had had another fall and have been in the hospital. I am so sorry to hear it and I do hope that you are out and about again now.

I have had two notes from Eugenie and this morning a wire from her. She wants me to come down to photograph the figure as soon as it is set in place. In her wire she says they are moving it to-day and that the ceremony is to be on Nov. 30th. I have wired her suggesting that I come down to do the photographs on the 29th and then possibly get a few shots of the ceremony next day if agreeable to you.

I am also wondering if there are any new things you may want at the school, or if there is any other work I might combine with this for a trip down.

It will be good to see you.

Kindest greetings to all,
Affectionately
