Mr. Carl J. Smalley,
McPherson, Kansas

Dear Mr. Smalley:-

Ever since you were here I have been thinking about a title for my book and at last I hope I have it.

CLIFF DWELLER TO PUEBLO?
A CAMERA CRONICLE.

While the book begins with exaleir times than the Cliff Dweller I dont believe that matters too much as the word "Cliff Dweller" is at least one with which most people are familiar. CAMERA CRONICLE I hope avoids the usual over used words "Pictorial" and "In Pictures", and indicates a history.

Let me know what you think of it before I write to Mr. Frese.

With best wishes,

Sincerely yours,
