

August 5, 1941.

The Stevens Nelson Paper Co.,
109 East 31st St.,
New York City.

Dear Sirs:-

Your letter regarding the Rives paper has just come and relieves my mind greatly. I was afraid that it would be impossible to get any more. However, if you will refer to my letter it is Rives Ivory that I want, not the white, perhas you call it cream. A sample of the last stock received is enclosed.

Will you please have 100 sheets of this paper cut size 12x14. I realize that this leaves a considerable trim, but I can use that in other ways.

When this is cut will you kindly deliver

To Mr. Oscar Ogg,
228 West 72nd St.
New York City.

75 cut pieces, 12x14
and then send the balance of the cut pieces together with the trim to me at the above address, by express.

I enclose my check for \$15.00. The matter of the tissue I will take up at a later date.

Very truly yours,
