U.S. Camera Annual,
142 East 42nd St.,
New York City.

Dear Sirs:-

Last Friday I received by express collect a copy of the 1941 Annual. As I have not yet received my copy of the 1942 annual, I think this must be an error in the shipping department. I am returning this copy to you to-day by express and I trust that my copy of the 1942 annual will come along shortly. I understand that it is in the book stores now but as yet I have not seen it.

Very truly yours,
