Miss Laura Gilpin

317 Cheyenne Road

Colorado Springs, Colo.

Dear Miss Gilpin:

Thank you very much for your inquiry
regarding the 5x7 portrait Graflex which you traded to us.

Your camera was sold sometime ago but we do
have in stock a 5x7 press Graflex, fitted with 8 $\frac{1}{4}$ " Zeiss
Tessar F 4.5 lens in barrel, and complete with two
magazines.

We could sell the outfit complete for \$85.00,
or without lens for \$50.00.

This equipment is in very good condition and
we are sure that it would prove very satisfactory.

Yours truly,

HAANSTAD'S CAMERA SHOP
