Mrs. Laura Gilpin,
317 Cheyenne Road,
Colorado Springs, Colorado.

Dear Mrs. Gilpin:

I am glad to know that it really was a storm over Acoma and I think it is a marvelous picture. If you would not mind sending us the full sunlight, cloud and desert picture which you mentioned I should be very glad to see it and will then return one of the two to you. We shall certainly look forward to your book, The Pueblos, and shall be showing it around to the very many people here who are interested in the Southwest.

Sincerely yours,

Everett Hunt
