

Thursday Oct. 9th 41

Dearest Sam.

Last week Mrs
S. came up to the Studio
for the first time. She is
delighted with the figures etc.

Yesterday Gordon & I met
her at the School, to lay out
the foundation. I + will take
about 2 weeks for the foundation
to be ready. Then will make
arrangements to move the
stone down. But it will take
time as the one and only reason
we want to move it, we have
to wait for etc. We will
keep you posted of everything
as we go along.

I asked Ruth yesterday if she
had heard from you for we
were anxious for news of you.
She too was anxious for news
about you. I told her we would
write. She said do. and added
that she will be in Calo. Nov. 5th.
So she may look you up.

Thought I would tell you.

In the mean time I do want
you to take some photos of
the work. before we move it etc.
Tomorrow we have to go to Arizona
for a few days. will write you
as soon as we return.

In other words we will
keep in close touch with you

We long to see you.
Father is waiting to go to
the mail etc.
So best from us both.
With love.
Eugene.
