

Something to say about our
grand Laura. I don't
think Jordan is silent on
the subject!

He will work it all out soon.

Want to go to bed now. We
have lots to tell you.

Best for us both

devotedly
Eugene.

Dearest Laura,

Found your fine
letter on our return from Arizona.

Good about your book etc.

We miss you and long to see you.
We don't know exactly when
it will be. But it will be!!

We went down to the School
today the foundation is
finished and ready for an stone.

The date of the moving depends
upon our man, to move it.

He has a job can get off Sat. &
Sundays. Also I want it
to be a time when Ruth is
here, and most in the East.

It is all moving along.

Ruth as I wrote you came up to the Studio and is truly delighted with it all -

We did not see her today. From what I read in the papers and what I learned at the School she will leave either tomorrow or Wednesday for California on some business for the School. However she will not be gone a week. just a few days. The last time I saw her she spoke of going to Cal. Nov. 5th. I wrote you that. But I do not know how that will be. I do not see how she can do that and be in Calif. the 9th.

Though I would let you know all I know. I shall keep you posted in time.

I do want you to get some good photos of the girl. I don't suppose you have a little movie camera. From an educational point of view the higher process of lifting and moving the stone etc. would be interesting. Even so you don't really need a movie. You could get some good photos. God knows he will wait it out when the time comes.

I know that Ruth will be very happy to see you for she & I always have
