Dear Mrs. Gilpin:

Thanks for your grand  
long letter which I want to properly  
answer as soon as I come out from under.  
I have been away and I am literally  
swamped.

In the meantime, I want  
you to know how much I appreciate it, and  
how hopeful I am that we can do some of  
the things discussed in it.

Cordially,

*Tom Maloney*
