NEW YORK CITY

Dear Laura,

Again your work will
have full prominence. The
April issue of the magazine
"American Artist" will contain
an article on me, with a full
size reproduction of the photograph
you took of me on the
Front Cover. And I have seen
to it that due credit is given
you. I will send you a
copy of the magazine as soon
as it comes out.

We have not had
a chance to thank you for
the characteristic beautiful ~~thought~~
thought of yours in sending us
this exquisite Christmas wreath.
We still have parts of it

scattered here and there in the
form of miniature evergreen gardens and
decorations. - The whole family
loves it - and our friends admire
it for its delicate and sensitive
ensemble. in contrast to the stag-
book Christmas Wreaths available
in N.Y. - Again many thanks.

- Life is busy, full of anxieties
and apprehensions for us here -
and that seems to apply to everyone
we meet. - At least there
you have the expansiveness of
space and light which tend ^{to lessen} the
closed-in feelings which we experience
here. - I truly miss Colorado -
I miss it everyday.

We all send our love to you
or even
Gins
