Dear Miss Gilpin:

We are enclosing our check for \$3.75 in payment of our
account.

Please send us the following sets:

24 sets No. 5

6 " No. 6

We would like very much to handle the Ranchos church sets
if this can be arranged, *but haven't time to go
and wrangle with the priest about it.*

Very truly yours,

Ralph thinks he has some negatives
of the interior of the Ranchos
Church ^{taken 35 or 40 yrs ago.} He's not sure. He
thinks you might be
able to use them in some
way.
