Dear Miss Gilpin:

Mr. Vernon Hunter has just delivered to us the following photographs of yours which you sent for the Coronado Cuarto Centennial exhibit in Albuquerque:

Navaho Madonna
Navaho Silversmith
Navaho Family
Navaho Woman Spinning
Acoma Pueblo
Santuario, Chimeyo
Ranchos de Taos Church
Shepherds of the Desert
New Mexico Santo de Bulto
The Water Hole, Acoma Pueblo
Navaho Girl

These were prepared by Mr. Ernest Knee for exhibition and still have the cellophane over them. Would you like us to keep these for possible future exhibits or would you prefer that we returned them now?

Yours very truly,
