Miss Laura Gilpin,
Colorado Springs, Colo.

Dear Miss Gilpin:

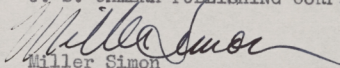

I wanted to write a lot sooner to thank you for your cooperation in sending us the data and story on your Indian pictures.

Unfortunately, there were some last minute changes in the layout of the magazine which necessitated our cutting your story even though engravings of the photographs had already been made.

Be assured that we will probably use them in an issue in the near future.

Cordially,

U. S. CAMERA PUBLISHING CORP.
