Miss Laura Gilpin,
Colorado Springs, Colorado.

Dear Miss Gilpin:

Your note of the 30th has been forwarded to me at McPherson.

I think that your title is a good one and gets forward what is wanted to the point and briefly. I am wondering whether it is necessary to use the second line at all although it is all right. CLIFF DWELLER TO PUEBLO says it.

I believe that the book is going to do quite well. I am leaving the most of the selling until the Sept-October trip but am doing all of the advance publicity. The book should be a dandy and one that will be going along for some time to come. In other words, it is not a one season book. Have you suggested a Pikes Peak Region book to Mr. Freese. I believe that an inexpensive one that would be ready for next spring would go well.

I had a pleasant visit with Mr. & Mrs. Knee at Santa Fe. I think that he will do a book on Santa Fe for Hastings House.

With the best of good wishes to your father and yourself,

Most sincerely

Carl J. Smalley
