Miss Laura Gilpin
317 Cheyenne Road
Colorado Springs
Colorado

Dear Miss Gilpin:

Thank you for your telegram which has just arrived, granting us permission to reproduce your photograph of the Caracol of Chichen Itza on the cover of our museum bulletin.

It is kind of you to offer to send a glossy print, but we are in a hurry and our engraver is very skillful in overcoming the problem of the double screen so that we will make the engraving directly from the magazine.

Very sincerely yours,

Minna F. Banks
Curator of the Museum
