Dear Miss Gilpin:

Thank you for your recent order which has now gone forward to you.

We regret that the Weston thermometers have been discontinued for the duration. We would therefore suggest the F-R thermometers priced at \$1.00 or the Caspeco insured thermometer complete with case at \$1.00.

Both of these are excellent and accurate thermometers and can be used directly in the developing tanks. Meanwhile, there remains a credit in your favor in the amount of \$3.56 which you may use towards additional purchases or have in the form of a cash refund, if you so prefer.

Thank you for your patronage.

Yours very truly
