March 19th 1942.

My dear Laura.

I am delighted with the
proofs - you have got the character
of Peter so well, & the pose of no 2
I like specially.

Please will you do 3 of number 4
1 " " 2
2 " " 5.

on best paper, unmounted - for
sending to England, no hurry
for we shall be down on April 1st
for 3 days, when I hope you will
take photos of the 2 boys together

or anyhow ones of Christopher & of
Mr. Harwood. It is wonderful
to have such fine photographs
& nicer still when ones' friends
do them!

You were so good in inviting
us out & I was very interested
in meeting Mr. Curry.

I hope your party for Mrs.
Fish was a great success,
as anything you do, never always
be.

My best regards to Mr. Gilpin
& love to yourself.

Love ever Barbara Cooper
