Mr. C. F. Brown,
La Placita,
Old Albuquerque, N. M.

Dear Mr. Brown:

I have your order for 100 postcards, received several days ago. I am sending you instead a larger quantity, as I am closing my studio for the duration and taking a job with the Boeing Airplane Company in Wichita. You can pay me for these cards at your convenience, and I hope I am sending you enough to carry you.

Very truly yours,

LG/L
