Miss Laura Gilpin
317 Cheyenne Road
Colorado Springs, Colorado

Dear Miss Gilpin:

We are opening our February show on February 6 and would like to have the material for your exhibition of photographs by the second. Would you care to have us insure the collection? If so, what valuation would you place on it? Would you send us as soon as possible a list of the photographs in the collection.

We are looking forward to seeing your work.

Sincerely,

Isabel C. Herdle

Assistant Director
