Dear Miss Gilpin:

Edward Steichen has finished selecting most of the pictures for the 1943 U. S. CAMERA ANNUAL. He would like to include your picture of a baby in a four poster bed.

This year, in practically all cases, every photographer is getting a full-page picture. Since our page size is large, we would also like to run the photo data on the same page as the picture, or -- should the picture be a bleed -- on the facing page.

Will you do two things:

1. Write about 200 words on yourself, the picture, and the technical data of taking it.
2. Send your information as quickly as possible.

Again, I would appreciate it greatly if we could have this information by return mail.

Cordially,

Tom Maloney
