Dear Miss Gilpin:

In the absence of Mr. Kittredge from the office, I am today returning to you, by insured parcel post, the ten following black-and-white photographs which you so kindly loaned us for our Exhibition of Photography:

1. Ghost Town Remnant
2. Dew Drops
3. Footprints in the Sand
4. Navaho Portrait
5. Square Dancers
6. Steps of the Castillo, Chichen Itza
7. Temple of Warriors from Castillo
8. The Prospector
9. Acoma Pueblo
10. The Water Hole, Acoma

The exhibition was considered a great success, over 1600 people having come in purposely to view it during the three months it was installed. We are exceedingly grateful to you for sending on your splendid photographs and hope you will let us know if we may ever reciprocate this great favor.

With best wishes and many thanks,

Cordially yours,

Mary Sahula
