919 NORTH MICHIGAN AVENUE
CHICAGODear *Mr. Madison*:

Enclosed is printer's copy of your personal sketch which will appear in next month's issue of the Monthly Supplement to Who's Who in America, the Current Biographical Reference Service. This sketch is scheduled for the typesetter on the deadline stamped on the proof sheet.

Please check the sketch carefully, word by word, to be sure that no typographical or other errors have been made. Also please make any essential additions or changes. Whether or not alterations of any kind be made, it is imperative that the proof be in our possession not later than the deadline date indicated. A post-paid airmail envelope is enclosed to facilitate prompt return of the proof.

While single copies of this Supplement are not usually sold, we are glad to make an exception in the cases of those listed in it, although it is ordinarily available only for reference use supplemental to Who's Who. By marking the enclosed order form in the first box and returning it with your proof and the proper remittance you may obtain copies of the issue containing your sketch (\$1.25 each, two for \$1.75, three for \$2.25).

An index to this supplemental Service, listing all names appearing in it, including your own, will be included in the next edition of Who's Who in America. Since the Supplement itself is also cross-referenced to Who's Who, it is evident that they are designed for use in conjunction and we have discouraged use of the Supplement alone. However, as a further means of cooperation, and because, as one in the public eye yourself, you will be interested in your contemporaries who are also of current public note, and would, no doubt, appreciate the opportunity of giving this supplement more than the cursory inspection afforded by one issue out of a continuous series, we are making a trial offer to those who have been sketched in the SERVICE.

The usual subscription is for one year and in conjunction with Who's Who. However, to give you an opportunity to inspect the supplement more thoroughly, the enclosed order form, marked in the second box, will make the Supplement alone available to you for six months at the special introductory rate of \$3.00, and send you a complimentary copy of the current issue as well. After six months have elapsed you will be given an opportunity of continuing your subscription for a full year and of obtaining the current Who's Who for use in conjunction, or cancelling.

Regardless of your decision on use of the Supplement, please be sure to return your proof by the deadline. And thank you for your cooperation.

Yours very truly,

Wheeler Sumner, Jr.
