Dear Miss Gilpin:

Thank you for sending us the 10 kodachromes for inspection. They are all interesting. We are keeping a list of those sent as there are several we may use later.

You mentioned in your letter of the 24th that you were sending a selection of other material. I don't believe we received this. If you did send it, please notify us immediately and we will check.

We are always interested in having photos sent us for consideration. If you have any available at any time in the future send them to us for a week or ten days. Thanks again.

Sincerely,

Carl W. Sauer
