Dear Earl:

On returning from the Teheran Conference a day or two ago, I had brought to my attention your letter of November 8th and the excellent photographs which reached me through your thoughtfulness.

All of the photographs are excellent, but I particularly like the full shot of the plane taken at night in the hanger with water or light being reflected from the apron. If you could arrange to have this framed in black, one-half inch molding, it would be appreciated very much.

With every good wish, I am

Sincerely,

H. H. ARNOLD,
General, U. S. Army,
Commanding General, Army Air Forces.
