SUBJECT:

Dear Laura -

As you will note I requested this "Raise" on the 10th & would have liked to told you about it Saturday but it had not returned "Approved" at that time.

I thot it better to wait till it had been through the mill,

Any way you know it now, I thot you would enjoy your "Vacation" more if you knew we were thinking of you - not only since you left but as far back as the 10th. Leo says "Tell her I am the one who misses her",

THIS IS NOT A SCRATCH PADLeo Findlay
