Dear Laura:

I was very much interested in receiving your copies of BOEING CONTACT. You are doing a splendid photographic job. I would like to have a chance of seeing some of your original prints some day. I may be calling on you later for something. I am sure that you are getting into some very interesting work which will be valuable training and also give you a chance to carry on your own creative work.

I received a letter from Ben Glaha the other day and he said that he enjoyed meeting you recently. He thinks you are a real gal and just about tops in your work.

With all good wishes, I remain

Cordially yours,

Willard D. Morgan
