Dear Miss Gilpin:

Thank you very much for your letter.

We realize that your time and efforts are being well spent at the Boeing Plant and we do appreciate your taking time to help us with material for the Photo-Bulletin.

Mr. Roux, our copywriter, believes there is valuable data in your letter and that it is of the sort the Mallinckrodt company will be interested in. We shall let you know of their decision as soon as possible.

The prints we now have from you will probably be sufficient for the bulletin we have in mind, but if we need others later we shall let you know.

Sincerely yours,

Marjorie A. Philipe
