Miss Laura Gilpin,
807 Carter Ave.,
Wichita, Kans.

Dear Miss Gilpin:--

The Mallinckrodt Bulletin is going through, and shall appreciate it if you will send us your bill for prints used. We returned some days ago, the unused prints, which no doubt you received.

Mallinckrodt raise this question regarding formulas:--

"The quantities given for Formula 6D represent the quantities for Formula 6-DR which is a replenisher for the Formula 6D, but it might be well to check with Miss Gilpin to make certain that she used Formula 6D as such. "

If you will be good enough to make notation on the enclosed carbon copy of manuscript they approved, we shall appreciate it. Return envelope enclosed.

Thakks for your good co-operation.

Sincerely yours,
THE VICTORIA CO.
