Dear Miss Gilpin:-

Several months ago Mrs. Wilson gave you a tin-type
of my Mother from which you were going to make a
photograph.

When she called at your place of business you were
gone and until now we have not known where to address
you.

Naturally I would like to have both the photo and
the tin-type or at least the latter back and I am
writing to ask you to please attend to this while
you are in Colorado Springs.

Thanking you in advance, I am

Yours very truly,

Wesley Wilson
