Subject: B-29 Interior Photos

Dear Lowell:

We wish to acknowledge receipt of the B-29 interior photos and to thank you for doing such a comprehensive job. The shots look good and I am sure they will eventually find their way into print in a lot of places. In the meantime, I suggest you send prints in duplicate for War Department clearance to Virg Peterson, who for several weeks will be assisting Jim Murray in Washington. I will write you more fully a little later regarding our release plans for these and the other B-29 interior shots which we have.

Best wishes.

Sincerely,

Carl M. Cleveland
