Dear Mrs. Gilpin:

We received your letter of May 1, 1944, regarding the payment of the mortgage on your Woodland Park property, and the cancelled note and Deed of Trust which were received later by registered mail.

We should have a request for release from Mrs. Cowley, before presenting these papers to the Public Trustee of Teller County, but since we do not have Mrs. Cowley's address, we are forwarding the cancelled note and Deed of Trust to the Public Trustee in Cripple Creek, with the hope that he will issue a release without the formality of a request. We should hear from him in a few days, and if he insists on a Request for Release, signed by Mrs. Cowley, we will prepare and send one to you to be forwarded to Mrs. Cowley.

Mr. Haney is out of the office and will not return for ten days or two weeks, but I will endeavor to secure and record this release for you with as little delay as possible.

Did Mrs. Cowley hold the abstract for this property, and was it returned to you.

Very truly yours,

HANEY & HANEY
