

12/18/44

Dear Laina:-

Since the B-29
Came earlier this week. it has
been seen first by the family and
then by a number of my photographic
friends. All are most enthusiastic
and several said that when I wrote
you to send them congratulations.
It is a marvelous print and I am
more than delighted to have it.
Thank you a million for your kindness
in sending it to me

Merry Christmas

Sincerely yours

W.C.
