Dear Miss Gilpin:

Re: Estate of Francis Gilpin, Deceased.

The six months period within which creditors must file their claims against the estate of a decedent or be forever barred, in the matter of the above-named decedent expired on the 26th instant and the only claim filed subsequently to those of which you already have a list, was filed by The Paint Supply Company in the amount of \$7.47. All claims filed, with the exception of that of Dr. S. J. Chapman for \$85.00, were allowed by the Court yesterday and I sent checks to all to cover, with the exception of your claim. Dr. Chapman's claim is to be withdrawn and as Mrs. Potter filed no claim, I think we are perfectly safe in turning over the table to him in settlement of his claim as was proposed by him and agreed to by you on the occasion of our last meeting.

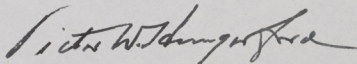

I have no way of identifying the table or its location, except I assume it is in one of the stalls at Donald Gilpin's. Dr. Chapman has been out of town for three weeks and returns, I believe, today, so I can take this matter up with him and close that incident shortly assuming that we can obtain access to the stall where the table is located.

I am enclosing herewith my check as administrator with the will annexed to your order in the amount of \$225.73 covering your claim as allowed, and in the interest of facilitating the closing of the estate I suggest that out of this you pay the balance of \$220. due under your contract of April 25, last. On final settlement whatever balance may remain will, of course, be turned over to you, together with the remaining assets of the estate.

I will file a petition for final settlement next week and be ready to close the estate after the statutory period of advertising has expired, assuming in the meantime we collect the final payment due on the note for the purchase of the automobile and if not paid shortly I will repossess the car and sell it again for whatever we can get.

Will you please sign, date and return to me the within receipt.

Sincerely yours,

Encs.
