Dear Miss Gilpin,

Thanks for your letter of July 9th. It so happened that the editor of the POST was in my office when your negatives arrived. He took them along to Philadelphia and just called me. At the editorial meeting they liked your photos, both for quality and composition, however asked for a few more photos. I wired you this morning explaining what they wanted to receive. I hope you do not have to go too far in order to get these additional photos, and I assure that we shall have them within about one week.

I do not know how many photos the POST will use, but I am glad you took quite a number, because the POST does not object to our reselling of photos which they have not used, provided their article has appeared.

We enclose our check for \$ 40.05, refund for your expenses. Your share of the payment will be forwarded to you as soon as the POST will pay.

You did not return the Burt article, kindly send it with your next photos.

I hope that we shall have more assignments for you soon. Do keep us advised where we may reach you.

Sincerely yours
