Dear Miss Gilpin:

Your Special Delivery letter of the 17th received today and I regret exceedingly that I cannot give you the information you request. We do not know when the official showing of the new Chevrolet will be held, nor do we know when we will receive shipments of cars to sell. I presume you have read in the papers about the strikes and this has caused a very low production schedule at the factories.

We do not have a single used car or used truck on the premises for sale at the present time.

As to the Station Wagon, they will be out next Spring or Summer and Chevrolet advises also on this item that it will be outstanding in the line.

I am very sorry that I do not have information to send you as stated above and thank you for your inquiry.

Wishing you every success and with kindest personal regards, I beg to remain,

Yours respectfully,

Cady L. Daniels
