

Chantangua New York
July 3 1895

Dear Laura: Georgebill
took all the prints to Badmuths before we left
and he is going to insure them and ship on
to Chantangua. We are delighted with the
Narayo group but I need to know the
prices and whether these prints can be
sold or do you wish to sell duplicates.
only. I am inclosing a list for you
to mark prices on and send back and
you can just put a notation on the
same ship. I'm sorry to bother you. Hope you
found conditions good out there and that
the trips will be a great success. As always
Comelia & Rocky
